## WE WOULD BE BUILDING

This is the theme for our upcoming year of ministry together that will begin on **Rally Day**, September 9.

The obvious reference of this theme is our capital project. In this case, the theme might be better stated, **We Will Be Building**. Just now, all is quiet on the construction front at GCC. The asbestos abatement is complete. Full documentation for the building permit from the Village of Glenview was submitted on June 7. Unfortunately, the Village is taking longer than their promised schedule to respond to the documentation. This delay is very frustrating for GCC as well as for our construction manager. Our hope is that the permit will be issued so that construction can begin around August 1st.

But our theme is **WE WOULD BE BUILDING**. It is the title of a hymn text that was written by Professor Purd E. Dietz who served on the faculty of Eden Theological Seminary in the middle of the last century. The title that is our theme, is audacious. It indicates that we are taking on a monumental task. And it is aspirational. Our work of building the church is far more significant than anything we will ever accomplish with bricks and mortar.

One of the phrases that's gotten some attention around GCC is **New building, New church**. Perhaps a better way to state that is **Renewed building, Renewed church**. The point is that our building needs to be repaired, renovated and renewed for our contemporary culture and context...and so do our Message, Ministries, and Mission.

To say that **We Would Be Building** takes this

task seriously. Here's a sobering statistic: when I was ordained in 1980, there were 1.7 million members in the United Church of Christ. At the end of 2017 there were 850,000. The UCC is half what it was. GCC has not experienced decline to that degree, but many congregations have experienced decline that outpaces the national statistics.

In my view, here are the transformations that we need to focus on if **we would be building** the church:

- moving from institution to community...**
- moving from minimum membership requirements to maximum discipleship risk...**
- moving from entertainment to meaning...**
- moving from low commitment to high investment...**
- moving our expectations from being served to serving God...**
- moving Sunday morning from passive spectators to engaged participants...**
- moving from head to heart...**
- moving from religion to faith... etc....etc....etc.**

**We Would Be Building.** Please consider how you can join us in this audacious work that is before us: not with hammers, saws and nails...but with faith, hope and love. I always close with this: See you in church. But, more importantly, I pray that I will see the church in you!

## SPIRITUAL COUNCIL MEETING REPORT MAY 15, 2018

At the May meeting, GCC's financial and spiritual outreach to the wider community were key topics. In addition, the Spiritual Council thanked outgoing Moderator Gretchen Grad for her tremendous service to the church during this year of transitions and hard decisions.

### MISSION ALLOCATIONS:

The Spiritual Council approved the Mission Allocations Team's recommendation for dividing up GCC's annual mission budget. Because the total amount available for mission giving was reduced this year due to church budget considerations, the team was very selective in their review and reduced the number of recipients from 26 last year to 19 this year. The Mission Allocations Team made additional recommendations to divide the contents of a \$9,300 missions reserve fund to Heifer International and SERVV and to distribute \$3,700 donated in memory of Tom Lutz to Heifer International, Hands of Peace, A Just Harvest, and the Community Renewal Society. The Spiritual Council approved these recommendations.

### SPIRITUAL HEALTH CENTER (SHC):

Founded by Bobbie McKay and her husband Lew Musil, the SHC is an independent nonprofit that offers research, books, and programs regarding Spiritual Life Teams. The Spiritual Council approved a motion to relocate the SCH from Bobbie's home to GCC. The move will carry no financial cost for GCC and should allow the organization to grow by providing a meeting space, making it easier to attract volunteers, and helping the group obtain grants. The move will also mesh with GCC's mission of outreach to the community.

### TREASURER'S REPORT:

Both revenues and expenses were ahead of budget for April, for a net \$42,000 performance favorable to budget year to date.

### CONSTRUCTION REPORT:

Chuck noted that asbestos abatement has begun and emphasized that the contractor is carefully monitoring air quality in the building as the work progresses.

## ANNUAL CONGREGATIONAL MEETING REPORT MAY 20, 2018

At our Annual Meeting, the congregation elected members of the Spiritual Council and the Ministry Steering Groups, received annual reports from the Ministries and church leadership via the meeting packet, and heard updates about the construction work and other matters.

### NOMINATION AND ELECTION OF OFFICERS AND MINISTRY STEERING GROUPS:

On the following page is a list of all Spiritual Council officers and Ministry Steering Group members. The names highlighted in bold were elected at the Annual Meeting.

### CONSTRUCTION UPDATE:

Nick Peters, Chair of the Construction Committee, explained the rigorous air testing process being carried out as part of the asbestos abatement project that began on May 7. He said that the Village of Glenview will probably issue the final construction permit by the end of July.

### UPDATE FROM THE CONSTITUTION WORKING GROUP:

Bob McGee, Chair of the Constitution Working Group, reported that the CWG is about halfway through the process of addressing issues raised with the Interim Constitution and Bylaws. The CWG will present the proposed changes to the Constitution early in 2019 for review by the congregation and make a final set of revisions before the May 2019 Annual Meeting.

### LETTERS TO THE CONGREGATION OF 5-16-18 FROM REV. PAM KECKLER, REV. CHUCK MIZE, AND MODERATOR GRETCHEN GRAD:

Jane Hund and Pam Keckler addressed the congregation regarding Pam's move to a part-time schedule and her upcoming retirement. Jane emphasized that the decisions about Pam's status have been painful, that GCC has had deficit budgets for 6 years, and that our reserves have been substantially reduced by the deficit spending. She also discussed the pressing need to engage members who are not pledging and not involved with the church, as well as to bring in new members from the community, in order to bolster GCC's vitality and financial health. Pam stressed that she will continue to do the same excellent work as long as she a pastor at GCC. In the fall, she will inform everyone about what her hours will be during her half-time phase. Pam's remarks were followed by questions and comments from the congregation.

## SPIRITUAL COUNCIL MEETING REPORT JUNE 26, 2018

The theme of the June meeting was wrapping up the old church year and looking ahead to 2018–2019.

### CONSTRUCTION UPDATE:

Asbestos abatement has been completed, and the Village of Glenview is in the process of reviewing the permit for the principal construction project. Our contractor expects to begin construction in mid-July.

### PASTORS' REPORTS:

Elizabeth reported on a successful Mission Trip and said that this year's group displayed exceptional unity and cohesion. She also said that the new crop of freshmen proved to be very active and engaged—a force of their own. Pam mentioned that in June she fulfilled a long-cherished wish to perform a wedding at Brookfield Zoo. She also attended the Illinois Conference of the UCC Annual Meeting and joined Chapter 3 of the Women's Association for a book discussion. Chuck said he has been working on ways to keep the building available while parts are closed for construction and with our reduced facilities staff. He also commented on assisting families in the congregation during times of loss and what a gift it is to be able to connect with these families.

continued from the previous page

**TREASURER’S REPORT:**

The budget is roughly on target for 2018, running \$11,000 ahead of expectations year to date. Forward in Faith has a balance of about \$1.25 million to apply toward construction.

**MINISTRY REPORTS:**

The Ministries and Teams are currently in the planning phases for the events of the 2018–2019 church year. The Outreach Ministry reported on the ongoing Member Engagement project to clarify GCC’s membership rolls by reaching out to contact members who have been inactive and determine whether they wish to remain inactive. Outreach is also seeking to increase GCC’s visibility to the broader community this summer by planning events such as having a booth at the Glenview Summerfest street fair.

# GIVING GLIMPSE JUNE 2018

The Message, Ministries and Mission of Glenview Community Church thrive because you fulfill your stewardship commitments and make faithful contributions. It is essential that we remain current in our giving and ensure the fiscal health of the church. In the midst of our busy lives, we offer you this update reminder to keep in focus our progress on completing our financial commitments to GCC. This Financial Snapshot will be updated monthly and included in the worship bulletin and Broadcaster.

	YTD	Over/(Under)Budget
<b>Pledge Fulfillment</b>	\$452,851	\$51
<b>Other Income</b>	\$107,063	\$24,583
<b>Expenses</b>	\$692,475	\$24,098
<b>Net Total</b>	(\$132,562)	\$11,467

**SUMMARY:** We are \$24,098 better than budget through May. Our approved budget defines an annual deficit of \$79,779, so if the balance of the year holds plan, we will end 2018 with an operating deficit of \$55,681.

## THE LABOR DAY ALL CHURCH RETREAT

The retreat this year will be September 1-2(3). The tentative schedule is below. We will be staying at Tower Hill Camp located in Sawyer, MI. There have been some updates to their facilities. The cost is \$90 for 13 year old and up, \$60 for 8-12 year old and children 7 & under are free.

Please contact Amy Song at [arigoni3@sbcglobal.net](mailto:arigoni3@sbcglobal.net) if you would like to attend. This is a great way to get to know and become re-acquainted with our church family.

# EXPLORING WHAT IT MEANS TO JOIN THE CHURCH

Are you considering membership at Glenview Community Church? Would you like to learn more about our faith community, the United Church of Christ and our ministries? Join us for an information session to hear what GCC has to offer. You only need to attend one; the first session will be Thursday, July 19th at 7 pm in room 32, the second session will be Sunday, August 19th at 9:00 am in room 32. We will officially receive and recognize new members in September, but look forward to speaking with interested individuals now. Please RSVP to Reverend Pam Keckler [pam.keckler@gccucc.org](mailto:pam.keckler@gccucc.org) for the date that works best for you. If you cannot attend one of these information sessions but still want to join the church, contact either Pam or Reverend Chuck Mize to schedule a meeting.

## “FRIENDS OF MUSIC FUND” THANKS YOU!

The music ministry of GCC thrives because of donations each year to our Friends of Music Fund. While 80% of our expenses come from the annual operating budget, up to another 20% comes from this fund, making the difference between surviving and thriving. The Friends of Music Fund supports both our worship services and community outreach (concert series). From hiring musicians to playing in the Peace Concert and providing an honorarium to the Glenview Concert Band for the July lawn concert to purchasing folders for the Chancel Choir and gloves for the Joyful Ringers to commissioning musical works dedicated to the ministry of GCC, the Friends of Music Fund has been a vital resource for many decades. To make a donation, simply send your gift to the GCC office clearly marked for the Friends of Music, or put a “Music Offering” envelope (found in the lobby kiosks) into the Sunday offering plates.

# CHILDREN AND TEEN FAITH FORMATION MINISTRY

To streamline communication in the Children and Teen Faith Formation Ministry, I am going to regularly post in the Broadcaster.

## SUMMER CHURCH SCHOOL & VBS:

The church school teachers and I are having a wonderful time in the art room learning lessons and spending time in the gym. Each week we have visiting families and I am always thankful to the way they are welcomed by GCC's members. We have 120 children registered for VBS and a strong collaboration with Holy Trinity Lutheran Church and St. Philip's Lutheran Church. Please be on the look for a list of donations and items needed for VBS in an upcoming eblast. This is a terrific opportunity for GCC to reach out and be part of the community around us.

## MISSION TRIP TO LOUISVILLE JUNE 10-15:

The youth, adult leaders and I were enriched by our time in Louisville, KY. We volunteered with the children of the community and at many soup kitchens. We cleaned up parks, and visited a senior center. We helped at a medical equipment recycle center and at Catholic Charities. We also grew in our faith as we clung to two Bible verses. *Hebrews 2:1, This is why it's necessary for us to pay more attention to what we have heard, or else we may drift away from it. And Hebrews 12:1 So then let's also run the race that is laid out in front of us, since we have such a great cloud of witnesses surrounding us. Let's throw off any extra baggage, get rid of the sin that trips us up.* Together we built relationships with the community and each other surrounded by God's love. The picture is the group enjoying Church Hill Downs. Next year, the group has decided and is looking forward to going to Birmingham, AL.

# YOUR HELP IS NEEDED BY FEED MY STARVING CHILDREN THIS SUMMER!!!

FMSC exists because of volunteers just like you who generously give their time and energy to feed starving children in desperate need around the world. YOU are an essential part of FMSC.

FMSC doesn't use machines to package our meals because we realize the personal, impactful experience created by packing the meals by hand. It transforms an experience from just "something good to do" into something deeply personal.

FMSC volunteers experience a fun, one-of-a-kind team building experience with co-workers, family, friends and strangers alike. This experience often turns into a desire to do more and reach farther, until all are fed.

## FMSC VOLUNTEERS AS A VOLUNTEER, YOU:

Engage world hunger.  
Make a tangible impact.  
Experience the incredible joy of turning hunger into hope with your own two hands.  
Experience a genuine and meaningful service opportunity.  
Learn what hunger looks like.  
See first-hand the stories of precious children whose lives have been saved and given futures filled with HOPE because of the nutritious meals YOU hand-pack.

You do not have to be part of a group to donate your time at FMSC. Just go online and volunteer two hours of your time on Saturday morning as an individual or bring a friend or neighbor. Your time is greatly needed during the summer.
